Welcome Back

Welcome back, South Carolina HOSA!

We are ecstatic to start rolling out our monthly HOSA Hustle brought to you by our fantastic Team 47! As we look to start the school year strong, be sure to recruit and engage your chapter's HOSA members, spread awareness about HOSA to potential members in your school, hold meetings to explain what HOSA is, and request a state officer chapter visit! Additionally, Team 47 has planned some amazing activities this year so stay tuned! Follow SC HOSA on your social media platforms and make sure to mark your calendars for our annual Fall Leadership Conference on October 10 at Newberry College! We can't wait to start the 2024-2025 year and be "POWERED BY PEOPLE".

PRESIDENT'S LETTER

To all South Carolina HOSA - Future Health Professionals members, chapter officers, advisors, and alumni:

As SC HOSA President, I am honored to have the privilege of welcoming you back to a new year with South Carolina HOSA! Looking back on the 2023-2024 year, we embraced amazing opportunities to Dare To Create! I have never been prouder of our incredible competitors, advisors, judges, sponsors, partners, speakers, and everyone who makes SC HOSA possible. Each and every HOSA member has been key to the success of our organization. HOSA and healthcare are "POWERED BY PEOPLE," and your officer team pledges to make 2024 - 2025 an amazing experience!

Learn more about our Service Projects and how to fundraise at the 2024 Fall Leadership Conference, October 10th at Newberry College

Introducing the HOSA-FHP premiere service project... NMDP formally known as Be the Match. As you map out your chapters program of work, make sure to include efforts to support our life saving service project NMDP. "Helping someone in such a profound way through an organization I love has given me a larger sense of purpose and has cemented my 'why medicine'. We go into medicine to help people, but if you could do the same without going to grad school and it only took 60 seconds would you?"

Shriners
Children's™

This year, we are excited to announce Shriners Children's is our new 2024-25 South Carolina State Service Project. Shriners Children's is a non-profit organization devoted to providing high-quality specialty medical care to children and families, regardless of their ability to pay or insurance status. A few of their medical specializations include Burn Care, Colorectal and GI, Craniofacial, Orthopedics, Pediatric Surgery, Spine and Spinal Cord, Sports Medicine, Urology, and Wound Care and Skin Disorders. We will focus on the two South Carolina facilities, Shriners Children-Greenville and MUSC Children's Hospital Burn Center.

Let's impact our state through local fundraising and advocacy! Together, we can make a difference in the lives of countless children and their families. As we move into our new year, SC HOSA is placing a strong emphasis on encouraging chapters to actively participate in upcoming fundraising efforts as HOSA is "POWERED BY PEOPLE". Be on the lookout for fundraising information soon from your State Officer Team 47!

As we go back to school, our SC HOSA chapters need to begin fundraising in order to support and sustain chapter activities and programs that go towards enriching the experience of our members. These funds help our chapters maintain and expand resources as well as attend our yearly conferences, ensuring that HOSA can continue to operate effectively and help individuals who are interested in the medical profession reach their full potential. Start fundraising to create a sense of community within your chapter as HOSA is “POWERED BY PEOPLE”!

MAUI FUNDRAISER

Due to the wildfires that ravaged Maui, SC HOSA has been committed to exploring ways to aid our HOSA family on the island. SC HOSA sold wristbands and stickers for 2 dollars each and raised 2,500 dollars in order to help Hawaii HOSA. All funds from the sale of wristbands as well as decals/stickers went towards supporting Lahainaluna High School HOSA chapter, located at ground zero of these devastating wildfires last summer. During ILC, we met with the Lahainaluna High School chapter advisor and showed our love and support for Hawaii HOSA!
