

The HOSA Hustle

SEPTEMBER 2024

Upcoming Dates

- **September 27th-30th** - HOSA Washington Leadership Academy
- **October 3rd** - SC HOSA Fall Leadership Conference registration deadline
- **October 10th** - Fall Leadership Conference
- **October 15th** - Deadline to be recognized as a HOSA 100 club

Welcome Back

HOSA Members, welcome back to the second edition of the HOSA Hustle! September is finally time to kickstart the development of your chapters. Check out our guide below for some tips. Also, be on the lookout on our Instagram and our HOSA Website for more updates regarding the upcoming Fall Leadership Conference. Your team 47 is extremely excited to kickstart this year on a strong note, and we can't wait to see everyone throughout this year!

Table of Contents

- Pg 1 - Overview
- Pg 2 - Diamond, Gold, Silver, & Bronze Partners
- Pg 3 - Chapter Activities Recognition & How to Run a Chapter
- Pg 4 - What is FLC?
- Pg 5 - National Marrow Donor Program & Maui fundraiser
- Pg 6 - SCHOSA Service Project & Shriners Children's Hospital
- Pg 7 - Meet Parker: A Shriner's Story

IN LOVING MEMORY: JEREMY SUTTON

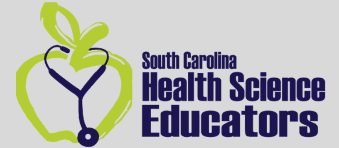

JEREMY SCOTT SUTTON, A PARAMEDIC AND TENNESSEE HOSA STATE ADVISOR, HAS RECENTLY PASSED AWAY. WE WANT TO EXTEND OUR THOUGHTS AND SUPPORT TO HIS FAMILY AND THE ENTIRE TENNESSEE HOSA COMMUNITY DURING THIS DIFFICULT TIME.

FALL LEADERSHIP CONFERENCE

What is FLC?

The Fall Leadership Conference (FLC) provides a great opportunity for current and future chapter officers and advisors throughout South Carolina to gain leadership skills and network with other HOSA leaders across the state. The conference features not only leadership sessions but also a variety of valuable sessions on national and state service projects, healthcare careers, competitive events, and much more. These local HOSA student leaders can return to their chapters with this wealth of information. FLC provides an enriching experience that encourages networking across the state while igniting a passion for careers in healthcare—truly #PoweredByPeople!

This year, **FLC** will be October 10th at Newberry College! We invite you to bring the much-needed donations listed below to FLC!

Patient Gift Donations

Our hospital departments carefully select toys, games and most needed items that are best suited for each patient and their family. For the safety of our patients, we follow strict infection control policies. We will accept new items only...no collections, stored items or previously used items. If you have any questions, please contact Jennifer Taylor at Jennifer.Taylor@shriners.org.

Expanded View

NMDP: NATIONAL MARROW DONOR PROGRAM

NMDP is the premiere service project for HOSA-FHP. NMDP is a non-profit organization that operates a registry for hematopoietic cell donors to save lives of individuals and execute cell therapy. Be sure to support NMDP this year in your chapter's program of work!

MAUI STRONG

Following the 2023 devastating wildfires in Maui, SC HOSA initiated the Maui Strong fundraiser to support those in need. SC HOSA donated \$2500 last year and will continue to assist through the sales of Maui Strong items.

SC HOSA SERVICE PROJECT: SHRINERS CHILDREN'S HOSPITAL

SC HOSA has partnered with Shriners Hospital for Children, creating a powerful alliance aimed at enhancing community service. Shriners is home to the largest team of pediatric orthopedic surgeons in the Carolinas with care extending from fractures, sprains and sports injuries to scoliosis, cerebral palsy, and limb deficiencies. Their trusted care is provided regardless of insurance status or ability to pay. In the past year alone, Shriners has specialized in over 85 orthopedic conditions, served patients from 28 states and 30 countries, and has performed 1,284 life-changing surgeries, among many other achievements.

This year at FLC, we are planning to host a toy drive in order to meet our state service project goal. We are supporting Shriners Children's Hospital-Greenville and MUSC Children's Health Burn Center at Shawn Jenkins Children's Hospital-Charleston.

ALL IN A YEAR'S WORK: Shriners Children's Greenville

At Shriners Children's Greenville, lives are changed through evidence-based treatments and state-of-the-art technology. Home to the largest team of pediatric orthopedic surgeons in the Carolinas, care extends from fractures, sprains and sports injuries to scoliosis, cerebral palsy and limb deficiencies. Our trusted care is provided regardless of insurance status or ability to pay.

Parker is a Shriners Kid

The morning 12-year-old patient Parker's life changed forever began just like any other.

He rushed out the door, hopped in his mom's car, helped settle his baby brother and together, they headed to school, chatting excitedly about the day ahead.

Less than 20 minutes later, EMS would be pulling the family from a heap of twisted metal. **YOUR PARAGRAPH TEXT**

That morning on the road, Parker's mom, Sharonda, suffered a seizure and lost consciousness — but as her car sped out of control, Parker jumped into action.

"Parker was sitting in the back, but when he realized something was wrong, he unbuckled his seatbelt and got to the front to take over the wheel," Sharonda said. "He saved our lives."

While Sharonda walked away with a few broken fingers and a fractured tailbone, and her youngest son unscathed, Parker was transported to the hospital with a broken ankle, broken ribs, punctured kidneys and a perforated gallbladder.

Nineteen days into his two-month-long hospital stay, Parker was told he would need to have his leg amputated — his broken ankle hadn't allowed blood to circulate properly. Understandably, he was devastated.

For months after the amputation, Parker's mental health rapidly declined.

"He developed severe depression and anxiety," Sharonda said, explaining the once avid athlete was convinced he would never feel like a kid again. But he was going to try.

Parker decided he would fight for the life he loved. A few months later, he found himself at Shriners Children's Greenville, where an in-house Pediatric Orthotic and Prosthetic Services (POPS) team fabricates thousands of custom-fit assistive devices every year.

With consultation from renowned physician David Westberry, M.D., a team of highly skilled physical therapists and orthotists began working to ensure Parker would make a full recovery. He would be fitted with a prosthetic designed for comfortable support and, of course, lots of activity.

Your gifts help kids like Parker live their best possible lives.
